INTERPRETIVE COMMENTS AND CHARTS

Caseload and expenditures data for the Adult Aid Programs (Aged, Blind and Disabled) are not included in the Annual because of the administration of these programs by the U.S. Department of Health and Human Services.

Aid to Families with Dependent Children and General Relief, Comparison of Average Recipients and Total Expenditures for the Fiscal Years 1980-81 and 1979-80 (Table 1) supercedes the two tables formerly in the narrative section of the Annual.

Number and Percent of Cash Grant Discontinued, Family Groups and Unemployed (Table 9) combines Table 9 and Table 10 of the preceding Annual.

Two new tables have been added to the Annual, Refugee Resettlement Program, Average Recipients and Total Expenditures (Table 14) and Aid for the Adoption of Children, Average Recipients and Total Expenditures (Table 15).

The Food Stamp Program, Average Number of Participating Households and Persons and Total Value of Coupons Issued (Table 19) supercedes Table 17 of the preceding Annual.
